

Lake Asbury Lake Lot Access & Privacy Organization

Membership Level

2023 Agreement/Application

All lakefront property owners are members of LALLOA (your lakefront HOA) and may apply for a Full Access Annual Membership to the Lake Asbury Lake Lot Access & Privacy Org., at a cost of **\$100.00** or a Supporting Level Annual Membership to the Lake Asbury Lake Lot Access & Privacy Org., at a cost of **\$50.00**. This level of membership does not include access to a ramp gate key or motorized access to the Lake Asbury lakes.

As a member, you and your family recognize the importance of supporting and helping to keep access to our lakes private and keep the LALLOA properties well maintained. If during the year, you change your Supporting Membership Level to a Full Access Membership Level, your \$50 will apply as credit towards the Annual Full Membership fee. More information about membership levels can be found in the Lake Asbury Lake lot Access & Privacy Org. charter on page 6.

Ramp Gate Keys belong to the lakefront property owner and if their guest brings their water vessel, the property owner must accompany the guest to the boat ramp. Any person using the boat ramp key who is not accompanied by a property owner can be denied access to the lake. You should open the gates to yourself, immediate family members and guests only. **Your Motorized Vessel Pass must always be carried while boating on the Lake Asbury lakes.**

All water vessels entering Lake Asbury must be owned by the Full Member or their invited guest. Violators are subject to loss of key or possible loss of membership. **By signing this agreement and application I acknowledge and affirm that I have read and agree to abide by the LALLOA 2023 LALLOA Security & Safety Rules.**
