Membership Information:

There are two types of Opt-In Memberships to the Lake Lot Owners Access and Privacy Organization. The annual membership fee for both options is based on LALLOA's year-end projected operational expenses.

The Membership Fees in the following table apply during the open enrollment period and designated community distribution dates for the gate keys.

Considering the distribution is handled by volunteers, their time must be respected. There will be a new fee for late registration of full memberships. "Late" is after the last community distribution dates. New homeowners after that date, are excluded from the late fee.

For the convenience of our members, we will now offer the option of mailing your Key Package to your home. The mail fee will be \$25.

Option #1 - \$100 Full Members Mail fee is \$25 Late fee is \$25	Motorized water vessel access & boat ramp access Late fee of \$25 applies to all Full Member Applications received after April 1 st
Option #2 - \$50 Supporting Members	Non-motorized boater - supporter of the lakes
